Dear Mr. Boodakian and Mr. Mahfaz,

Thank you for coming to Huck Finn's last week, May 30th and 31st.

I can speak for myself, as a consumer, I learned a lot of information at Friday nights presentation.

Although I did not attend Saturday mornings sales meeting, I have spoken with some sales people and they truly enjoyed it, and was well received.

It is most obvious that you truly enjoy what you do, which is a great thing.

Thank you for taking the time to share your enthusiasm!
Continued success with your consulting group.

Sincerely,
